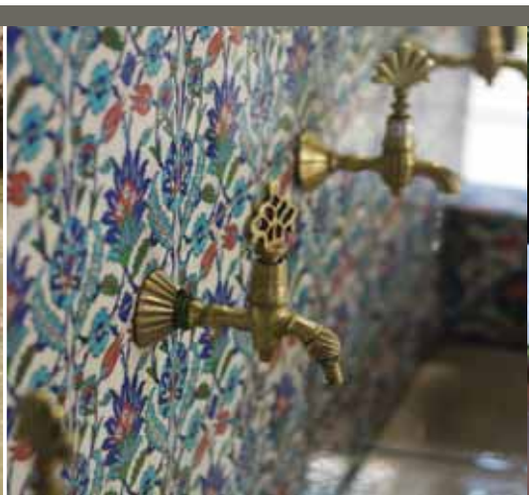
Even if you are travelling with any of our Guaranteed Group Departures, the group size is limited to 20, comprising of a good international mix along with personalized services and memorable experiences.



Solo Travel Made Easy

As a solo traveller you won't have to pay a single supplement when you book a group tour with us unless you specifically want your own private room (gulets excluded). We will do our best to match you up with a room-mate of the same sex, but if this is not possible, you don't pay extra. Our guides are great at fostering group spirit, and so you will have no problem meeting other people.

No local payments, no surprises

We believe there should be no surprises for you on tour, and so we give you clear information about what is included. All of our Turkish tours include all entrance fees for the sites visited in the program, and so the only decision you need to make is which optional activities you want to do. You'll have clear information about the cost of these before you leave home so that when you get here all you need to do is relax and enjoy your holiday.

Guaranteed departures

Our tours are guaranteed to depart, this means that they will depart regardless of how many people are booked. We don't cancel after you have booked and leave you with non-refundable flight tickets!

Our Range

Do you want to see the maximum amount possible in a short time? Or do you prefer to take it a little easier? Happy to see the main sights, or do you prefer to get off the beaten track? A small group tour or a tailor-made tour? We have something to suit every taste and need.

Classic Tours

If you have limited time but want to see as much as possible, our classic tours are a great option for you. Classic itineraries include lots of sightseeing, culture, history and fun. Accommodation is in moderate 4 star hotels in central locations so you can easily explore in your free time. All entrance fees are included. Classic tours generally include more driving each day than other styles of tour.

Comfort Tours

For those who prefer to explore the gems of Turkey at a more relaxed pace – our comfort tours are generally longer tours with more overnight stops to avoid long driving days, and we spend more time in each place so you don't need to pack your luggage every night. We use special category and 4 star hotels with character such as cave hotels in Cappadocia and a boutique hotel in Kusadasi.

Authentic Tours

Perfect for second time visitors to Turkey or those who want to get off the beaten track. Our authentic tours will take you to away from the more touristy areas to places such as small fishing towns and charming villages. You will be able to get up closer to daily life, and the style of accommodation has lots of character – for example, wooden houses or traditional family-run properties.

Turkey & Greece Combination Tours
One of our most popular types of tours – the Greece part of your trip is all about sand and sun as you island hop with a local tour leader to help you out along the way, with a little bit of history thrown in when you visit Athens. In Turkey, you will travel as part of a small group with a registered, English-speaking tour guide.

Tailor Made (FIT) & Private Tours
If group travel is not for you, a tailor-made or private tour may be just what you need. We take the time to understand exactly what you want and put together a program to match. You only need to focus on what to pack, and having a great holiday. In a tailor made tour you will travel between locations with a little help from our local representatives, and do day tours in each location. In a private tour, you will have your own private vehicle and tour guide for the duration of your trip. You get to enjoy a more flexible holiday without the hassle of making your own bookings, and you control the pace of your trip while still enjoying the benefit of our local expert guides. See pages 54 - 67 for some great tailor made itineraries and our range of sample private tour itineraries at: www.feztravel.com to get you started with your planning.

Semi-Independent Tours
Semi-Independent tours are a combination of an escorted tour + day tours (see Easymade Turkey on page 33 for an example). You travel part of the way with one of our escorted groups then you complete the rest of your trip by doing day tours in other locations and travelling between places by private or public bus or flight with some assistance. Everything is arranged in advance, so you can just sit back, relax and enjoy your holiday. Most of our small group tour itineraries can customized to suit individual needs - just tell us what you are interested in and we'll take care of the rest.

Gulet Sailing
It's all about sun and swimming and exploring Turkey's legendary coastline on our gulet sailing trips. You can choose from a cabin charter trip where you will get to meet other travellers, or we can also help with private gulet charters. We have a range of handpicked itineraries, ranging from the traditional Fethiye-Olympos cruises to longer cruises around Bodrum and the Greek Islands.

Our team

From our tour guides to our drivers and operation staff, we believe a good team is the key to a great tour. We employ a mix of staff who all love to travel, and who have broad experience across all aspects of the travel industry. We also invest in continuously developing our people.

Our office is located in the heart of the tourism district of the commercial capital of India through which we are connected with all our partners within India who offer holidays to Turkey through Namaste Turkey. Our partners in Turkey ensure to take this experience of value and service through a well qualified and efficient team who assist you at ground level. The success of Namaste Turkey is the direct result of the loyalty and dedication that our team has demonstrated over the years.

Our guides

We know that your tour guide is the difference between a good and a great trip, and so we carefully select our guides for their passion and knowledge and continually provide them with professional development. All of our guides have studied subjects such as archaeology, history and mythology at university and are passionate about showing their country to visitors

Our vehicles

Unlike many tour operators, the bulk of our tours are operated using our own fleet of vehicles. This is because safety is important to us and so we prefer to directly manage the maintenance of our vehicles and the training of our drivers. Our fleet is modern, with our oldest vehicle being just 2 years old. If your group is up to 12 people, your vehicle is most likely to be a comfortable mini-bus such as a Mercedes Sprinter. For groups larger than this we move to a full size coach so there is plenty of room for you to spread out and enjoy your trip.

Our hotels

We have a vast range of hotels that have been carefully handpicked by our team, and we review these all year round to ensure they continue to provide our guests with a comfortable stay. While the bulk of our range are moderate 4 star hotels or an equivalent standard we always try to strike the perfect balance between location, comfort and character. In tours such as our Authentic Tours the emphasis is more on character and traditional style hotels, and wherever possible we prefer to support family-run businesses. Accommodation on our Comfort Tours is generally a higher 4 star or boutique style, with the occasional 5 star hotel thrown in.
